1.	Reading Olympics-REAL	Henry Clay Elementary and college students met twice weekly for Reading Olympic practice with topics for literacy focus selected by reading specialist at the school. Included education students and members of the college's Washington Literary Society.	Reading needs based on assessment is below expectations. Wide range of SES factors among students in the schools. Effort to improve literacy skills in this K-2 school setting.	Education students and faculty member as well as college students in Washington Literary Society.	Yes
2.	Student Teaching and Field Work Placements in Hanover Schools	R-MC has a long-standing, written partnership with Hanover County schools. The partnership involves college faculty and students who serve the schools in varied ways. Hanover County schools provide practicum and student teaching placements as well as workshops to develop future teachers.	The partnership meets the needs of PreK-12 students because students provide tutorial services in the classrooms during field placements; provide enrichment activities; and ongoing special activities at the college campus for local students. College faculty serve on school and county advisory committees and offer teacher workshops and resources to local schools and teachers.	Over 100 practicum and student teaching placements annually at elementary, middle and high schools throughout the county. Pre-service teachers provide tutoring and instruction under supervision of classroom teachers.	Yes
3.	Science Labs and Field Lessons at Tuckahoe Elementary	Demo marine geophysical survey methods (grades K-5); present "Geology in Everyday Life" for all 5th grade; and provide field lesson on watershed, water resources for all 4th grade.	SOL enrichment (ex. SOL 4.8 Clean Water as Resource)	Science professor in physics and environmental studies.	No
4.	Reading - Henry Clay Elementary and John Gandy Elementary	Students work with teachers and reading specialists to assess reading and spelling development and to promote improvement under teachers and specialists' supervision.	Reading needs based on assessment is below expectations. Wide range of SES factors among students in the schools. Effort to improve and assist with development of balanced literacy program.	Education students, faculty, school-based teachers, and specialists.	Yes
5.	Chinese Language Classes - Louisa County High School Students	Native Chinese high school students with LEP attended Chinese language classes on college campus for contact with Chinese speakers.	Chinese high school students had limited English proficiency and school system requested opportunities for students to interact with native Chinese professor with proficiency in English and Chinese.	College faculty, Louisa County guidance counselors, and LEP students.	No
6.	Musical Performances for Elementary Students in Metro Richmond Area	1100 Elementary students (1,100) from metro Richmond area schools attended musical performances over a three-day period at Theatre IV.	Musical enrichment for elementary students by professional performers.	College faculty; select elementary schools in Richmond, Henrico, Chesterfield, and Hanover.	No
7.	Metro Richmond Science Fair	Judging of middle and high school students' science fair entries for 536 students from Chesterfield, Colonial Heights, Hanover, Henrico, Powhatan, and Richmond schools.	Promote science inquiry for students and support SOLs in science at various middle and high school levels.	College faculty, science teachers, and students from area county and city schools.	No
